Freda was the beloved mother of Brian, Leneille, and Maya, and a cherished grandmother to Braylon, Neveah, Chance, Ivy, and Jhene. She was also a dear friend to many within our community.

Freda was a devoted wife, God-fearing woman, known for her kindness, generosity, and zest for life. She recently retired after over 30 years of dedicated service as a Registered Hospice Nurse, bringing care and comfort to countless families.

Her loving presence will be profoundly missed by all who knew and loved her. A memorial service will be announced at a later date

“ It is with great sadness that I say goodbye to a former co-worker and a forever friend. We were introduced through Hospice in 2004,. Freda remained my friend and was very supportive through my journey with my son Corey who was diagnosed with ALS. Many friends disappeared, but not Freda. Her encouragement and support made a difference in my life. We planned to do many things after her Retirement, but God had other plans for her. We celebrate the life of someone who was kind compassionate, fearless. A Truth teller, she always tempered it with love. May God continue to comfort her loved ones.
