“ To the family of Mrs. Leola Freeman, please accept my sincere condolences. The loss of a loved one is never easy to bear. We can gain comfort from the words of our Heavenly Father, written in his word the bible. He speaks of a time in the near future when we will see our loved ones again (John 5:28,29). He promises us at Revelation 21:3,4, that he will do away with the conditions that plague mankind such as sickness and death, " the former things have passed away." I truly hope his words will be a source of encouragement and solace to you during this difficult time.
