“ *Mr. Leon was a man deeply committed to helping boys grow into responsible men. I was fortunate to be a scout in Troop 251, where he served as an Assistant Scout Master. Some of my most cherished childhood memories are with him, as he embodied dedication and guidance.*

One memory that stands out is from when I was approaching my 18th birthday. Mr. Leon told me that as long as I was willing to put in the time and effort, he would fully support me in completing my Eagle Scout project. For about six or seven weekends, I spent my Saturdays at his house, where he would review my project plans and help me build miniature prototypes of the final project. He made sure I took the lead, guiding me to ask the right questions and develop skills that I still rely on today.

I am just one of many scouts whose lives have been shaped by Mr. Leon's lessons and memories. Thank you, Mr. Leon, for stepping up and being the fatherly influence I needed in my childhood. You will be missed.

“ Weaver and I were co-workers at “ Ma Bell “ as Service Technicians in the 70s. We were grateful for the advantages of Affirmative Action as the doors were opened for employment of African Americans there. We both served as Union Stewards for Local # 10410 CWA. On many occasions we followed Weaver’s advice and leadership as he stood up for right !! My fellow, Afro-wearing brother, whose friendship I cherished, I am grateful for the memories and times shared. Rest In Peace my brother!! 👍👍👍❤️

I worked with Leon in the South Central Bell days. Leon was a good technician and a man that I had a lot of respect for. He was also a man that was eager to share his knowledge with fellow technicians. He will be missed by many of his Bell family.
