Thanks, David for your kind words. She thought a lot of your family and you. During her battle with dementia, your family would pop into her mind and she would reminisce about those days.

“ *You can live a long time, and never meet people like "Mother Carr." If there is such a thing as a "Super Woman," she was definitely that person. She was a loving wife, mother, woman of God, mother-figure, and so many other things to many. I will remember her for the times she shared the word of God with me, prayed with and for me, and made me meals that were second to none. Mother Carr, I know that your life impacted many, and I anticipate God saying to you, "Well done, my good and faithful servant." We will all miss you!*
