“ As a part of our VA family, I wish to say that Mr. Parker's actions towards the Veterans he served will live on in the hearts and the lives of those he served! Many believe that we live this life for the here and now (and we do) but I pray that He will be born into eternal Life so that those who love him can end their tears of sorrow and grasp at the rays of God's love shining through the clouds of grief! Those who practice the sharing of love that God instills them with, live forever, and we have been blessed to be a part of his life! I pray that one day we can all be together in God's kingdom sharing the beatific Vision of Christ the King along with those who we know love and serve him.

As a Veteran - I salute you Mr. Parker for all you have done for the many Veterans you Served!
