“ This one really hurt, My Uncle was the life of our family gathering. Every time he's going to sing, pray, dance or have something to say. And I was here for it lol. He kept us laughing & entertained lol. I have some many memories of him throughout my life. Everytime he saw me, he had to have a talk, He always let me know he loved me. He definitely wanted us to know we were Stanford's, he took my pride in the family's name & wanted us to as well. I can hear him saying, don't take no crap from nobody because you a .... Stanford ( you can fill in the cuss words lol). I remember at my cousin's wedding he was dancing and hit a split and my brother James ( he was like 4) hit a split too and split his pants lol classic moment. As a little girl he use to slip me a few dollars here & there 😊 He wore a hat like no other, it's like the hat were made just for him 😊. The family gathering & Stanford Christmas party won't be the same without Uncle Harold. He will truly be missed but never forgotten. Praying for you Aunt Lillie, Maschell & Toney & the rest of the family. God please comfort us during this time. Love y'all
