“ *Leshia's friendship was like a branch on a tree and that special ingredient in a chocolate cake. I will truly miss my sister's laugh, her smile and especially that warm hug she gave me when we seen each other. I want say good bye, only to see you one day again my friend! Love, Audrey*

“ *I met Leshia at work when she left a note on my car. You see, I am a Dillard alum and I had a Dillard tag guard on my car and she left the note so I would call her and we could meet. Leshia always kept me informed about Dillard things. She even gave me some souvenirs from Dillard. But what I will always remember best is her smile and optimism. I sent her a text recently to see how she was doing and when she answered I answered her and told her how no matter what she was going through she always had something encouraging to say to others. I work in the dialysis unit at Dekalb and Leshia's passing was the last thing I expected to hear. My prayers and sympathies are with you. Know that Leshia will be greatly missed and always remembered. Elizabeth Washington ('Liz).*

“ To the Smith and Heath Families, My memories of Leshia and the Heath Family goes back to my childhood days in elementary school. I also attended high school with her and Melinda and graduated with Charlotte. As a child growing up, I would often visit the Heath family home on Mark Trail and Leshia and her mother would always offer me something to eat and feed me. Their home had an open door policy and I was always welcomed to visit and chill there. I had many conversations with Leshia as a child and a teenager, more of the big sister-mentoring type, and I learned a lot about loving, caring and sharing with others. Her smile and personality are absolutely beautiful and she touched the hearts of many by being the wonderful, funny, courageous and classy woman that she is. Leshia will truly be missed and my heart and prayers are with her family at this difficult time. Rest in Peace Leshia. You richly blessed many lives and are loved by many.
