“ Although I know that God makes no mistakes, my heart is still saddened. I have years and years of fond memories of Leslie going all the way back to our humble roots on W. Farms Rd in Farmingdale. From singing in the church choir, to turning heads as we traveled all over Jersey in that Green "Limousine". Those were the days. It was nice to recently catch up with Leslie via Facebook.

*My prayers are with the Woods Family, and I pray that your memories of Leslie will bring you comfort, and that you will find peace in knowing that she is free from the troubles of this world.*

*We, the Hill Family, will continue to keep you lifted in prayer and want to remind you that Earth has no sorrow that Heaven can not heal.*

*We love you!*

“ 10 years ago, Leslie was one of the first employees that I met here at GDOT and was one of the first to make me feel welcomed and we have been friends ever since. Leslie was very health conscious and about six of us walked every day, 2 times a day religiously for about 5 years. I had to stop walking with her because of change in my schedule, but Leslie and another co-worker, continued to walk each day. She was great in giving good health tips. She had a wonderful smile and a great spirit.

*To her family, I cannot even begin to understand what you are going through right now, but I would like to offer my prayers and condolences to you. When we lose a loved one here on earth, we gain an angel in heaven that watches over us. May you take comfort in knowing that you have an angel to watch over you now.*

*After the tears have dried and the goodbyes have been said, all we have to hold onto are the happy memories that we've shared with our loved ones who have passed. This is what keeps them alive in our hearts and in our minds, and they will continue to live on through us.*

*God can mend our broken hearts, we just have to remember to give him all of the pieces.*

*Leslie, rest in peace.*

*Love you, Pat B. Johnson*

“ I worked with Leslie at GDOT as well. Although we had not done so together in a long time there was a group of us that used to walk together twice a day each day during breaks. Although the group dwindled in number you never stopped. However, I am thankful for those times for it was then that I got to know you a little. My heart just sinks every time I think that she is not here anymore.

*Leslie, I will never forget you. You were a beautiful, calm and pleasant spirit to be around. I am so glad our paths crossed in this life. You don't meet many people who are genuinely kind and are concerned about what's going on with you. I feel that you truly were. We had not hung around each other as much as I'd liked in a long time but whenever you saw me you always stopped in the lobby to chat when I didn't have the phone stuck to my ear. I appreciate you asking me about my family for you never seem to forget what we had talked about last no matter how long it had been since we last spoke. Although each time we spoke; it was brief but meaningful conversation. Caring and sharing. If time didn't permit a conversation you would always just pass by and throw up your hand in a cheerful wave and yell out a cheerful hello with that big friendly smile on your face. Someone once told me that God loves beautiful things too. So I'd like to believe he just picked one more to add to his collections of beautiful things. We will miss you Leslie. Rest in peace.*

“ Beautiful Leslie! It hurts to know you are not with us anymore, but maybe in a more peaceful place. We didn't keep up, but we had some talks and laughed about so many things. You always wanted to hear what my son was up to and we discussed kids, and family, and work (not so much), and life, and happiness. Will you know how many hearts are wounded and broken because we can't have you in our lives anymore? Your family was blessed to have you as we were to be your friend. Your spirit is part of us all now and you will soar where you could never go before. Love forever, Daphne
