“ Auntie Lesline has always looked out for me growing up. Even as an adult she looked out for me and that care extended to my daughter. I am so grateful that you were able to meet her in January (when she was 6 months old). When she gets older, I will tell her about you and all that you did for her.

Our last phone conversation was on May 13th. It was filled with so much emotions but I take comfort knowing that you died knowing how much I love and appreciate you.

Sending my deepest condolences to your family. I pray that God will wrap his arms around you all and give you the comfort you all need.

To have known Lesline is to have known a true humanitarian. Her kindness had no bounds & as long as she was able to render assistance, in whatever way, she was willing to do it wholeheartedly. It is ironic that the same kindness cost her her life. I am still in denial about her passing as it is a very hard pill to swallow. I take comfort in knowing that God looks at the heart of man & Lesline's life exemplified what God commanded, " Love your neighbour as you love yourself" and " Do unto others as you wish them to do to you". Condolences to the bereaving family but do take comfort in knowing that Lesline is wrapped up in the bosom of Abraham...a place of paradise, peace & honour for the righteous. Gone my friend, my sister and my neighbour but you will never be forgotten. Rest in peace.

Condolences to Lesline's family. I have know Lesline from Harbour View Primary school. We grew up together her family and my family, The Thomas'. We were in classmates. She was always a caring and loving individual. Very pleasant and always smiling. I know that she is resting peacefully in the arms of her savior. I pray that her brothers Andrew and Lance and other family members be comforted. Rest in eternal peace Lesline.
