“ *There is not a more GODLY BELIEVER than Lester. We shared many stories in which Lester would educate me on the SCRIPTURE. He is brilliant. I wish I had visited with him more often. God Bless.*

“ To the entire Benn family, -- Please accept our heart-felt condolences. Lester will always be remembered by us very fondly and with considerable appreciation. He delivered our only child, Lauren, over 30 years ago. We will always value the great wisdom and sensitivity that he brought to our lives during one of our most important periods. Like his uncle Reginald, he was a generous & invaluable asset to his community, and a kind presence that will always be greatly valued. May God bless all of you and give you the strength to move forward during this demanding time.... Arnold & Jeannette Gerald-Henderson

“ Lester,
40 years ago an amazing friendship was born.
You were an inquisitive soul, ever seeking to know God more.
Thank you for choosing me to be a member of your spiritual

40 years later, this amazing friendship soars forever.
See you in the rapture!!!

“ The Lincoln University Class of 1967 is deeply saddened by the passing of our classmate, Dr. Lester Benn. We have many fond memories of Lester. We knew him as a highly successful student, with a hearty laugh, who was passionate about his many interests and his desire to make a difference in the world. It was not a surprise to us that he lived an exemplary life devoted to the medical profession and his family. We pray that our condolences bring you comfort and our prayers will help ease the pain during this difficult time.

“ I extend my deepest condolences to Lester's family. I knew Lester during my youth in Boston. My family, the Gerald family, attended St. Cyprian's Episcopal Church with Lester's uncle Dr. Reginald Benn, his wife Minniebell Benn and their children. Several young men from Boston attended Lincoln University and there were many occasions to see Lester and the Boston crew during homecoming and other events on campus. I'll always remember his smile, voice and sense of humor. Later in life, he delivered my oldest nephew and one of my nieces. May he rest in peace.

“ Dr. Benn was a very gracious man. I only met him on one occasion. But, that was all that was needed to fuel the passions of my heart.

“ Words can't explain the hurt I feel hearing of your passing. Dr. Benn and my dad were the best of friends for over forty years. He was so kind, funny, and always willing to help when it came to any medical issue and if he didn't know the answer he would defiantly do his research and find the answer. Dr. Benn was my family go to doctors and we appreciated his advice and help. Dr. Benn, you will definitely be missed by the Adams and Jackson family. Rest well!
