“ I have known Letosha for over 30 years. We first met when we worked together at Powell Goldstein n/k/a Bryan Cave, and she became more like a little sister to me than a friend. Letosha was a special person and a friend to many. Letosha's smile was cheery and dimpled and would brighten up the room the moment she stepped into it. She was always willing to help anyone in need and her sweet, funny personality was amazing. I will dearly miss my little sis, but I know she is at peace with no more suffering and pain. She is resting comfortably in our Heavenly Fathers Arms. My thoughts and prayers go out to Mother Morris, Aunt and Uncle, and to the rest of her family and friends. Cherish the fond memories of Letosha. She was an Angel on Earth and now has earned her Heavenly Wings. Marian Scott, Loving Friend.

“ I met Ms. Letosha through my mom when I was in elementary school. I have known her for over 30 years. She and my mom worked at a law firm together. Ms. Letosha was so sweet and such a joy to be around. I am sad that she is gone, but I know that she is in a better place and is no longer suffering. I am sending my thoughts and prayers to her mother Mrs. Morris, her aunt and uncle, and the rest of her family. Rest in peace Ms. Letosha. I love you always!
