I will never forget the years we taught and coached together. He was the best assistant girls track coach anyone could ever have. He taught me how to be a head coach. He was the big brother I never had. He shared his knowledge and beautiful family with me. He was a beautiful role model for the students- one of a kind. Rest in peace with God my brother. You will always be in my heart. Brenda and family, strength, heart felt sympathy and comfort to you all.

“ *I had the honor and privilege to be a colleague of Lewis at Cross Keys High School. He was a great positive influence on the students that he had contact with. God Bless Lewis and his family at this time. My sincere condolences are extended, but I am consoled at this time because of our shared belief in our God, that Lewis is in Heaven in the loving arms of our Savior and his Father. God Bless,
