“ *What is it to say about Mrs. Lillie
She was one of the sweetest people I ever met and the love she had for all who knew her. I've known Mrs. Lillie for way over 50 yrs. Her daughter Patricia and I were close friends she always talked about her and Mr. Jessie take us to Callaway gardens and how I was in the club's as a 12 year old. Me and Patricia had some great times along with her sister-in-law Joyce Jordan they both are truly missed and so is Mrs. Lillie. I am one lucky person to have known all of them.*

“ Cousin Lillie was very dear to me. I will miss our many conversations we shared and her youthfulness, her radiance, her laughter, and who forget her infectious smile. She was a flower always blooming regardless of the challenges that confronted her. May she rest in peace.
