“ Linda and Charles were true friends of mine as co-workers at the FBI. When I moved they let me drive their Volkswagen to move my belongs into my new apartment without hesitation. Not having a car of my own, Linda gave me a ride back and forth to work until I could purchase a vehicle. Linda always had a smile on her face. I never saw her or Charles again after 1995. This is devastating to me. The family are in my prayers. Sherry Prince Courtney.

“ Dear Family of Linda Mae Morrison Blackshear,

I am deeply saddened to hear of Linda's passing. Please accept my heartfelt condolences during this difficult time. Linda was not just a dear friend to me but a true soldier in the army of the Lord. Her unwavering faith and dedication to serving others in Ministry are a testament to her remarkable spirit.

I first met Linda through her sister, Pastor Evon McKelvin, founder of the Total Women of God Ministry. Together, Linda and her husband dedicated their lives to uplifting the community and spreading the word of God.

As natives of Albany Georgia we shared in the spirit of ministry, all of us at Pastor McKelvins Conference each year. The common bond of Ministry and community brings us together in love and remembrance. As much as we all cherished her, we take comfort in knowing that God loved her best and welcomed her home with open arms.

Please know that you are in my prayers, and I am here to support you in any way during this time of grieving. May the memories of Linda's kindness, strength, and faith bring you comfort and solace in the days ahead.

“ My heart has been so heavy since learning of Ms. Linda’s passing. She was my second mom and always made me feel so special. When she washed and permed Ericka and Kendra’s hair with the good ‘ol “Pressing Comb in a Jar” relaxer, guess what—she was doing my hair. She protected me from an embarrassing sleep over event but then loved me enough years later to tell my parent something I shared with her—that decision saved and changed the direction of my life and I am forever grateful.

To my second Dad, Mr. Charles and my sisters, Ericka and Kendra, all of the grand babies, and family, “Thank you” for sharing Ms. Linda with ALL OF US. I love you all and will continue to pray that the Lord will roll your burdens away and comfort you beyond measure during this time.

Rest well, Momma Linda. Well done!

“ GodMommy - you left us....my heart almost can't take the fact that you're gone but I know for a fact that you wouldn't want me to grieve for you...deep down we know 'that you're all good' with the Lord but still my heart is completely broken 💔 you were everything and above of what a "GodMommy" is titled as. You never missed a birthday...I'm gonna miss you singing to me every year on my birthday....I'm beyond grateful that I saved your last 2 voicemails to me. I will always have your voice to listen to.

You were one of the sweetest and kindest individuals to walk this earth. You played a major role in my life and I'm forever thankful for my momma choosing you to be my second momma. I know that you are with the Lord now (and in a better place). You are my ☆ above. I will always be your baby (as you would call me). You will FOREVER be in my thoughts and heart. Will Love and cherish the beautiful memories I had with you in all 50 years of my life ❤️ Until we meet again my beautiful GodMommy & now one of my angels above 😇 I Love you 💕💕💕

“ My Auntie Linda - the sweetest person, with the kindest heart! Even at my big age, whenever I'd call her she'd always say... “Hey Sweetie! How's my baby?” Years ago I used to think she was asking about my daughter (who was a baby at the time), so I'd say, “Who Graces?” but then she'd always respond with “No!! You!!” I think she called a lot of us her babies and I felt the love every time I'd hear her say it!! Auntie, you'll always hold a special place in my heart, I will miss you dearly.
