Born in Saint-Ann; JA, evidence of success became a rite of passage for many.

Linda, like so many others, migrated to the United States for a host of reasons.

For her, preparation, family, the help of friends, her church, and job

opportunities

all contributed to her “Coming to America” story.

She began her career at Kingston Public Hospital in 1942 and successfully completed the “Victoria Jubilee” Nurse Training program in 1949. After graduation, for six months, Linda went to-work at Morant Bay Hospital and then

left to work for Port Maria Hospital until 1954. There she trained to be a midwife

and a Small-Pox nurse. She returned to KPH before retiring in 1959. She was registered #86 in the Jamaican Nursing Council in 1951.

Linda migrated to the US and continued nursing. She secured a position at Beekman Downtown Hospital in NYC. Due to a pervasive racial predisposition within the hospital, she left and returned to Jamaica. Six months later, she returned to NY and found work doing private duty nursing. During this period she

became a member of “Wake Eden Community Baptist Church” in the Bronx, NY.

The years past and after a number of visits to the Atlanta GA area she decided to

relocate there. Settled in Atlanta, in 2007, she found a new church home joining

“The Salem Baptist Church NE” in Atlanta. In 2017 Salem gave her the designation

as one of their “Super Senior’s”. She was physically very active and loved to walk. In her senior living she enjoyed bingo, working crossword puzzles, cooking

and gardening. She even tried painting, which she enjoyed. Being a matriarch within the family, she relished in that light and was never shy when it came to giving her opinions, instruction, direction or advise.

In Our Hearts

We thought of you today.
But that is nothing new.
We thought about you yesterday.
And days before that too.
We think of you in silence.
We often speak your name
Now all we have are memories.
And your picture in a frame.
Your memory is our keepsake.
With which we'll never part.
God has you in his keeping.
And we have you in our heart.

“*Aunty it was a pleasure and a blessing knowing you. You inspired me in many ways. You took care of your mother and daughter to the very end. You nursed so many patients. You were full of wisdom, love, understanding and discernment. For many years we would speak at least twice a week including early last year until you went to the nursing home and if I did not call you then you call me!*

You loved the Lord.

You blessed me and my family at the end of every phone call! I will missed hearing your voice saying “May the Lord bless you and keep you” you would also say” I love you”

In the early part of last year you would forget and I would remind you to bless me at the end of the call and you did it!

In my heart I considered you my grand mom and I told you so many times!

The Lord gave me peace in you leaving this earth! because I believe that your spirit is with Him and you will live forever!

Thank you for all that you taught me especially about being “IRON”.....I understood!

Thank you for openly displaying that you fear the Lord and not mankind

The Lord is my light and your salvation whom should I fear! sweet dream aunty May the Lord shine on you forever! God bless your soul!

Love your family and true friends
