“ *One of my favorite memories of Ms. Linda was when we went to my house to house lunch during work one day and a bee landed on her arm. Our other friend Taneisha was with us and we both saw it land on her but the fact that she seemed unbothered and wasn't moving as we would have puzzled us, so we asked her: "Ms. Linda is there a bee on your arm?". With her sweet, soft, and calm voice, she replied, "Hell to the mutha F'in yeah Baby". She explained that sudden movement would make the bee sting, so she was remaining calm. Her reaction had Taneisha and me CRACKING UP. Ms. Linda always made me smile and will TRUELY be missed. My hear goes out to her beautiful family.*

“ Oh!!!! Just to make you laugh...Remember when I picked you up to go to Shay's wedding and I said, where are you going? A 70 year old grandma with a bustier on. Boy! You laughed so hard you had to go back in to use the restroom. I'll have great memories of you!!!!

“ Oh!!! And one more thing to make you laugh in heaven...Remember when I picked you up to take you to Shay's wedding and I said to you, where do you think you are going at 70 years old grandma in a bustier? Boy, you laughed so hard you had to go back to use the restroom. I must admit, you were dashingly beautiful!!!!
