“ I loved Linda's sense of humor and her smile. I never doubted that she had genuine love for everyone. One year she gave many of her coworkers angels with their names and birth stone on them. Carl and I put ours on our tree every year and think of her. How blessed that she was in our lives. Lovingly, Vickie and Carl Eckert

“ My deepest and sincerest condolences go out to you Walter, Pamela, Bernard and LaTisha! I was saddened to hear of the loss of Linda, and my thoughts and prayers are with you. I remember her as a sweet and pleasant person who I had the privilege of singing with in Zion's choir. She will be missed. Keep your hands in God's, as He will comfort and sustain you!

“ Our lives are better for having the privilege of knowing this beautiful soul. Linda touched so many of us every day at Fiserv. It is very difficult to express how much she means to so many of us she worked with every day. I will try and sum it up with this.

*There are individuals that cross our paths in this life that make us all better people. Linda was that for so many of us every day. Her beautiful smile, sense of humor and laughter will be what we are blessed to remember her by. May God Bless all of her family and friends who love and will forever miss her, until we all meet again.*

*Sincerely,  
Leah Phillips*
