“ Linda was truly a special woman! It has been years since I saw her last and we would keep in touch from time to time. For for some reason she was on my mind just a few weeks ago. She was on of the most kindest, sweetest person that I have ever met. I will never forget her beautiful smile and calm spirit. Heaven has truly gained an amazing Angel. RIP Linda! I know you are looking down watching over your friends and family. My prayers go out to her family, but I know Linda was close to God so now she is with our Heavenly Father.

Sincerely,
April Brewington

“ Linda was one of those people that you are truly blessed to have in your life. I consider myself extremely fortunate to have had the fortune to work with her, and more than that call her my friend. Linda had an infectious spirit, and anyone who came in contact with her could immediately see it and feel it. My sincerest thoughts and prayers are with you her precious family and friends left behind. During times of great sorrow I often play a song that has meant a lot to me over the years, and it seems to provide me with a sense of comfort. It's called "If You Could See Me Now." The words are so incredibly beautiful and paint a picture of what it will be like when take our final breath on this earth and reside in Heaven with our Lord. To that end I will just say, Till we meet again my friend! I am honored to have been a tiny part of your story.

Sincerely,

“ I wanted to share that I met Linda 8 years ago. I knew nothing about Insurance and Risk Management. This patient lady became my right hand and taught me everything that know. She was patient with me when I would ask the same questions over and over again and never made me feel inferior for having done so. We became friends. We prayed for each other and each others families. We often spoke of God's goodness and she exhibited the Fruit of the Spirit and I was blessed that our paths crossed. In many ways she changed me for the better. Professionally but mostly personally. My heart grieves with you, but this I know....I will see my friend again....because God is faithful. Blessings be upon you all.

“ *My sincerest condolences to the family of Linda Levins. Losing a loved one in death is painful. It is such times like this that we should look to the Almighty God for comfort. Psalm 34:18 says, "Jehovah is close to the brokenhearted; He saves those who are crushed in spirit."*

May your reflection on this promise and your many fond memories of Linda give you the strength you need to endure this difficult time.
