“ We just spoke on 5/1/24. We had a deep conversation about life. For the 1st time in my life she said bye to me at the end of the conversation. I felt like she knew. I will forever miss our talks and the cluck reports. Fly high my ANGEL.

“ It is of deep sadness that we must experience a loss of a love one. Mom Linda you brought so many good times to so many. Always the host of any event whether dancing or telling a joke to brighten someone's day. The only saving grace is that I know you're in a better place- as the Lord said he would find his lost sheep and they know his voice. No one can take them away from him. I thank him for that we will see each other again in heaven. I'm sure everyone above earth will know skinny Linda from Brooklyn. Much love and surely missed.
