“ Hi,my name is Isabelle,I had the pleasure of working with Lisa at kindred hospital Atlanta,she was a sweet and humble spirit,if she was having a bad day,you would never know,because she always had a smile,and worked diligently to take care of her patients that were entrusted to her care,I loved her and gave her my personal nickname"Baby Lisa"each time that addressed her as such she would have the biggest smile,I never knew or wanted the last time I saw her to actually be the last time I saw her,Rest now Baby Lisa,there's an emptiness you left here that can never be refilled.
