“ I spent a lot of time on the phone with Lisa over the summer as she was taking two graduate courses that I was teaching. She was conscientious, she asked good questions, and she continuously produced quality work. Lisa will be missed by her Georgia College family!

“ My sister has always been the peace maker among all of us. I can remember many text, many calls about me not going along with everyone else in our crew so my big sis would call and we would talk. She knew I was one of the stubborn ones among our siblings She would try to convince me most of the time it worked and she could get me to do what she wanted. I couldn't resist her sweet way she asked and her signature smile .

I'm really going to miss my sister she was always thoughtful of others. She never complained. She was our group family text one. She made sure she never missed a holiday or birthday wish. Sister i miss you and know that you're watching over us. We will take care of your baby Maya and grand baby Aiden from here on out.
REST IN PEACE LISA!

“ Oh sweet Lisa, she had me laughing every time I saw her. Every time! Often times, it was at myself, but that was ok... it was all out of love. Her heart was pure gold. She will bring smiles to heaven but those who loved her here on earth, will forever miss the ones she brought to them! Share your light with the Lord my friend. It is too bright not to! Robin
