“ On behalf of our entire family, we want to thank each and every one of you individually and collectively. You contributed greatly to the CELEBRATION of LIFE for our “MaBell”. Your cards, words of encouragement, phone calls, text messages, pictures, visits, flowers, special meals, sacrifices, prayers, and acts of kindness will go a long way in the healing of our hearts as we journey from “mourning” to joy.

It was such a blessing to hear from so many we had lost touch with over the years. GOD has a way of bringing things together at the right time for our good and HIS glory.

Many thanks to those who sent and brought beautiful flowers of LOVE. That indeed blessed as well as brightened up our day. Do know that as we look upon each plant/flower, we will think of you and your love towards our family.

A very special thanks to Pastor James Fluker, Ministers Shante Fluker, Tara Brown and Jayla Pierce for participating in the family wake at Gregory Levett and Sons.

A BIG thank to Berean Christian Church Henry, Dr. Kerwin B. Lee, Elder Darrell Barrett and the Servants of GOD who participated and came along side in the celebration of life for our very own MaBell.

Blessings upon Connor, Chase, Caiden, and Caitlyn for their tribute to their “Grand MaBell” what courage and strength they exhibited while reciting the poem “Let Me Go Free”.

We are so deeply grateful for Dr Shearin Murphy Higgs and Southern Grace Hospice Team (Wendi, Hannah, Chaplin Mike, and Denise) who were so faithful in caring for MaBell over the years and through her last days on this earth while resting at home. We send you a heart filled THANK YOU and pray GOD’s continued increase upon you and your family.

A very special thanks to my Glory Call Sisterhood for their calls, visits, flowers and acts of kindness. Now my love goes out greatly to Daniella (DD), Renee, Epressia, Amber, Jayla, Teresa, Shante, Linnetia and Rea for stepping in and stepping up. I love you guys and will forever be thankful. Each thing you were able to do, greatly help me through these past few days. GOD bless each one of you and do believe that MY GOD will continue to provide for your every need, bless you with HIS love, care, provisions, and protection.

Blessing and much love from The Family of Lizzie "MaBell" Bridges

“ *I have only met Grandma Bell a few times over the years and each time I did she would always be quietly sitting and observing everyone around her. Thinking back now, she was probably thinking of what a beautiful home she has created. The home was always filled with loved ones, smiles, laughter and happiness. The home always felt so welcoming. You can see Mrs. Darlene’s kind heart and all the rest of the family’s too. I wonder if Grandma Bell would think in her mind, “Yes Lord, I created all of this greatness!” I know she had to be proud. So, to this beautiful family, just remember that those we love don’t go away, they walk beside us everyday. Unheard but always near still loved and still missed and still very dear.*

“ Your smile was the most captivating and those hugs honey....mmmm good! I wasn't around much but when I was and came in for that hug you'd always pat my back and tell me “God hears you”. I never shared those moments with anyone because that was our thing and you knew what I was dealing with without me having to vocalize it. I love and thank you for that! My boys enjoyed the their time with you and I know they loved you as well. A natural light that will shine on forever!

“ Grandma Beautiful, you was such a beautiful woman inside and out. You made my day when you said I had big legs..... I loved the way you would smile when I bought you orange slices. You was the sweetest woman and always made me feel welcome and part of your loving family. I always called you Grandma Beautiful because to me that's who you will always be. Fly High, your Wings are earned. Sleep in Paradise til the Trumpet Sounds and we meet again on God's Celestial Shores 🕊️🕊️🕊️🕊️🕊️

“ *I will miss you so much Grandma ❤️ Thank you for helping my mom raise me and helping me shape myself into the woman I am today. I'll never forget everyday after school you asking me to get a comb and go through your head , teaching me to make banana pudding, going to way field, and so many more memories. I'm so sad that your gone but I can't be selfish because I knew you was suffering being here. You have played a major part in everyone lives ... I'm sad you won't be here to see me in the future but I know you will be watching over Me . Your in a better place now , your at peace , your healed , and I know your up there rejoicing in the gates of heaven . I love you so much Grandma Bell and I'll never forget you . I cry randomly sometimes but I know if I cast my cares on God he will free my mind. 🙏🏻🙏🏻 thank you again and I love you Grandma Rest In Peace*

“ My sincerest and deepest condolences to you and your family, Daniella.
A mother/grandmother's love is always with her children.
Losing her is one of the deepest sorrows any of you will ever feel.
But her goodness, caring, and wisdom lives on like a legacy of love that will ALWAYS BE WITH YOU.
I also KNOW that the love she has taught you all to have for one another and all of those around you will bring you peace.
Please know that me and mine are thinking of you , praying for you and grieving with you.

“ How could I have known that this night last week would be your last night with us? A flood of memories keep going through my mind. I'm remembering when you use to call at 5/6 am and want nothing. I'm remembering your delicious meals and how you loved your family especially the great grands, & great great grands. I can only hope that you knew how much we loved you in return. I keep hearing your call and remembering coming to you only for you to say you didn't call me. I'm remembering telling you I'll be back and when I come back I'm going to lay in bed with you only for you to laugh knowing full well I couldn't fit in there with you. I'm smiling at the times that I'd come to help you and you kindly let me know you didn't want me; you needed your baby girl. I miss you dearly and thank God that He blessed me with almost 51 years with a loving & humorous grandmother as yourself. Love you until my last breath

“ When I first saw MaBelle, I initially thought this lady is one of class,
character, wisdom; the epitome of a beautiful soul. The matriarch.
Often times we take for granted those opportunities to be in the
presence of such, but I'm truly grateful to have witnessed at least 4
generations in one room with "Momma" in the center, embracing it
all. To see her smile was warming, endearing, and a true pleasure.

She is greatly missed and I offer my sincerest condolences to my
sister Darlene and family. Such a blessing to have had the
opportunity to share in the moments with her. Rest well knowing her
soul is anchored in the Lord.
