“ *I would like to send my condolences to the family. My heart goes out to you all. She truly talked highly of y'all. She was my jazzy Bell she stayed dressed to the T and had the jewelry pieces to go with each outfit. She was there for me through my pregnancy and always talked on the phone. I was suppose to see her that following day but when I heard the news it hit me hard. I know she gained her wings because she was so positive and did not care what a person thought of her she always kept smiling and always remained jazzy. She can cut a rug too. She got some rhythm. Lol 😭 I'm going to miss my jazzy bell!!! She will always have a place in my heart. You Rest in Paradise Jazzy bell. I have nothing. It Love and memories. RIH ❤️🙏😊*
