“ Dear Vu Family: Please accept my sincere condolences for the loss of your loved one. May the love and support of family and friends comfort you greatly during this difficult time. The Bible also gives us comfort and hope to see our loved ones again right here on earth by means of the resurrection. “There will be a resurrection of the righteous and the unrighteous “ May you have peace as you think about this beautiful hope for the future.

I am so lost for words // I will truly miss my dear friend of over 30 years. His name & sprit will carry on // I will never forget the true fun times we shared .

Vikki, you & the kids are in my thoughts and prayers, as you know we all have shared so many fun times together that I will always cherish// Remember This; When Larry first saw you, he asked me "who is she" (Lo!) ..that was love at first sight //

*I love you all
