“ *Mama Lois just as my mom, Mama Lou, never met a stranger. She had a way of making each and every person she came in contact with feel special. Mama Lois always had a smile, Always!! She made it very clear she loved "Benji", the boys, her girls, and especially her grand babies. One of the most important things to her was making sure everyone else was alright. She was a living example of smiling through the pain.*

Ma Louise! A very special person our family came to love. A person of great spirits and love through her affection to others. Her warm hugs and gracious smiles will always been in our thoughts. She will be missed from our family.

God needed another smiling and loving Angel: he has Lois Brock with him.
