“ These pictures are how me my daughter and my mother will remember you Lonnie. Always smiling ,eating ,and joking around! I want too thank you for sharing such great memories with us. My daughter had some of the best memories of her life with you your sister and your dad. I will always be thankful for the happiness we all shared. I can not believe my little bro is going to a better place.

“ I am still in shock baby boy, I can't believe this is happening right now. I will always remember the times we spent together and the special part I played in you and Ashley's life after meeting your dad. We (Joe, Jayana and I) are devastated. We are praying for the family and just know if we were in the country we would have been there for your celebration of life. L, please know our prayers are with you and our hearts are broken, may you each find the comfort and peace in time because nothing can replace the lost of a child. God be with each of you tomorrow as you celebrate this young KING!! Love, hugs, condolences. Roxann & Family.
