“ Mrs. George was my first grade teacher. She was an amazing soul. She loved me so much and she made sure to always keep in contact with me. I loved Mrs. George like a mother. She was straight forward and she told it like it was. I absolutely loved that about her. She was so passionate about teaching and she absolutely loved her family. I'm so sad about this... she will be missed.

“ Mrs, George, you were Megan's first grade teacher when I met you in 1999 at Marbut Elementary School. We connected and became good friends. I can't believe you are gone. I will miss your phone calls and your smile. To our family, you were like family, thanks for your love and support. You came to the girls graduation from High school and College. You continued to mentor and encourage them. You will always have a special place in our hearts. My sincere condolences to the family.

Rest in heavenly peace,

“ Loren,
I can't believe that you are gone. All the times we spent talking, laughing and walking... I just can't believe that I won't see you walking down the street again coming to get me since I take so long to get ready and meet you at the Stop sign. I will miss your beautiful smile, your words of wisdom and all the goodies that you would bake. I am glad that I got a chance to know you and we will definitely walk those pearly streets in heaven.

Rest in Peace.

“ We were shocked to hear this sad news about Mrs. George. We have been neighbors in Eagles Ridges since the subdivision opened in 2002. We recall that she and Nettie retired at the same time from teaching. During the parade in the neighborhood recognizing recent graduates, both ladies were also recognized for their contributions in the classroom.

Today and always, may loving memories bring you peace, comfort, and strength.
