Where do we begin? Soooooooo many memories! The Lucy family and the Moore family, were next door neighbors since my birth, separated only by a wire fence! Her children and I grew up together! Mrs. Lorine was a beautiful person, warm and kind, very loving, and giving. My family and I are thankful and grateful to her for the roles she contributed to our up bringing. Such a lifetime worth of many wonderful, fond memories of her. To all of the Lucy children, the Moore family wants you to know that we understand what you're feeling. Our mom went home to be with the Lord 9/15/20 and we miss her terribly but thankful for her life! We're here when you need us and we love and adore you guys! Remain close to each other and trusting in the Lord! That's what brought your mom this far!
