My dearest Aunt Lorna,
I am so very disappointed that you left us before I get to come to Georgia to spend some time with you.
You left so sudden and untimely. That hurts 🥹
I am so glad we were able to talk in recent times.
You were very special to me; you helped me to learn what my mom was like as a teenager. You knew her so well and helped me to understand her youthful self.
I am really so happy we met so many years after my infant stage. You gave me answers to questions I had. You helped me gain closure to unanswered questions. I thank God everyday that I got the time with you when you came to Canada 🇨🇦.
You will never be forgotten.
May you sweet soul Rest In Peace. 🥹
