“ My condolences to his family. Mr Lory was my stepfather in New Jersey before he moved to Georgia. I couldn't have asked for a better dad. He was kind, loving, and supportive in numerous ways. I was a teenager and he made me feel loved, safe and comforted. And yes, his cooking was Chef level before men cooking was the craze!! It breaks my heart that he is gone. Our world has lost one of the best!!

“ To Yvonne & Jackson Families & Friends far & near.
We are sending you much love & beautiful memories of my Cousin Lory.

I was an eight year old when our family transferred from South Carolina to New Jersey to the family until housing was found.

Lory was always kind & patience as I was inquisitive & pesty. I always remember Lory as a not confrontational person & tried to find resolutions in life.

We will cherish our last recent visit with He & Yvonne & shared wonderful Childhood memories.

RIP Lory until we meet again!
