“ Family,

*Words however kind, can't mend your heartache, but those who care and share your loss wish you comfort and peace of mind. May you find strength in the love of family and in the warm embrace of friends.
I love you all.*

“ Thinking back on the days when we were young

and I used to hang out with your children I hated going home but I knew I had to your house was definitely a comfort zone full of Love

But then we all grew up when I got the news Sunday night that you had passed away

My Heart stop for a few seconds I am so sorry that I didn't get to see you before God

called you home but I know and believe that you are in a better place God and Bernard needed you more Rest Lottie, it was definitely great knowing you.
