It is difficult to accept that she is no longer with us. I, along with so many of my colleagues in the Office of Regional Counsel, EPA Region 4, and EPA Headquarters, loved and respected Lou Ann. She was a friend, an invaluable employee and supervisor, who will not be forgotten.*

“ I'm still in disbelief but know God doesn't make mistakes. I started working with LouAnn in 92' at the age of 23. She led a life of service and fault for justice both for her EPA staff and her Alma Mater, Fort Valley State family. I'm grateful for my long friendship with LouAnn and all she taught me from a young adult until now. She always encouraged me/others to "NEVER GIVE UP!" and "Always live life with a purpose."

I'm so grateful I received the opportunity a few months ago to see her at an alumni event where I was greeted with a big HUG, I will cherish that moment forever (picture attached)! She will be dearly missed as a great leader with an abundance of wisdom/knowledge within our Regional FOIA office and most importantly a wonderful friend.

My heartfelt condolences to the family. I "Thank God" for lending this wise, beautiful and loving spirited individual to us. Fly high LouAnn until we meet again; you have fulfilled your earthly purpose and left a legendary mark on many people for years to come. ❤️🙏

*ZetaGirl! I met you about 48 years ago at FVSU. Your sweet smile and personality was always in the forefront. I will always remember our talks about family, your mother, and your dear grandmother. We shared in deep conversations over the years when we were at FVSU. Your commitment to Zeta, FVSU and the EPA are evident by the legacy that you left, and the heartbreak that we all feel. Your love for people and family is evident by James and Doris. You were a selfless superhuman who gave your all to whatever endeavor you undertook. "Sister Lou" as we called you, I will definitely miss hearing you call me 'Little Girl' as though you were my momma! I will remember our walks in Fort Valley, and the good ole times, but most of all, I will remember you! Rest in Jesus' love and in the arms of your beloved grandmother, mother and sister. “ I have had the pleasure of knowing Louann Gross from as early as the first grade. We grew up together in Warrenton, Ga. She and her family lived down the street from me. She was seven years older, but we were always in common circles, e.g. church, community events, friend groups, school events, etc. One of her best friends was the sister of one of my best friends. We encountered each other often. When she and her friend graduated from FVS, she came home and was a substitute teacher. It was weird that she was in the teacher's chair, but she made coming to her class such a delight. She has always been a person of commitment and dedication. She gave to her family nothing less than her BEST, as she did EPA. She was always willing to give all that she had and then some. She was a great leader and our EPA family will not be the same without her. We have all lost a friend. I pray that Doris and the family will soon find peace and comfort, as I know that seems impossible right now. Sending pray, support and love from the entire Swint family.

I had the pleasure of getting to know Lou Ann during our years together at EPA. When work was overwhelming, I knew I could stop by her desk and get a good word. Sometimes she made me laugh and often she made me think. One of the things I found most intriguing about Lou Ann was her ability to maintain a poker-face regardless of the situation. A unique and special person has departed our midst - but I can say my life is richer for having know Lou Ann Gross.
