“ I just learned of Louis's passing today. He was such a kind and welcoming person. Our kids are in the same grade and would play at the nearby park together. While we watched our kids play Louis, the other parents, and I would geek out over movies and shows. The playground isn't going to be the same without him.

“ I was so heartbroken to hear about Lewis' passing. I also played pickle ball with Lewis and just loved his warm and kind-hearted energy and spirit. When he walked in the door, it was like a big hug. (until he hit the ball!) What a loss for this world. Sending condolences, love and hope for his family that his spirit will live on. I took this photo of him with his beloved son on July 7, 2025. ...Susan Mittleman

What a beautiful photo. That is what I remember most about Louis, his love for his son and his gentleness and kindness. I also played pickleball with Louis and he always encouraged me, even though he was so much better than I could ever be. My love and prayers to Sebastian and to the entire family. Louis was a treasure.

“ This note is for Sebastian. I played pickleball with your father and it was always a joy to see the two of you together when he brought you with him to the gym. It was apparent the love that you two shared for each other. Your dad was always a pleasure to play with and such a kind, warm, and helpful coach, giving me pointers on how to improve my game. I will miss him. Treasure the memories you have of him and keep him close to you in your heart.

“ *Louis was a 'pickleball friend.' He was a kind, smart, wonderful man, who will be remembered as one of the best examples of fatherhood I have ever known. We are heartbroken at his passing. But know that he is now in God's hands. Our blessing to his son and family. He loved his son so much... He will remain in our prayers and hearts. Gone but never forgotten... Mary Lyons*
