“ I was numb when I got news that you were gone. I couldn't believe that you left. Lucille, you have always been one of the happiest people I knew...every time we had family functions and you were there and I knew we were going to have a good time. You and Vernon were such a great team together...I'm going to miss you cousin...RIP...you may be gone in this world but you will live on in spirit through the people you have touched in this life...LOVE YOU...

“ The youth and families of Georgia were blessed to have such a dedicated and compassionate advocate working on their behalf. And those of us that were lucky enough to work with Lucille were blessed by her unwavering loyalty, support and friendship. Lucille will be missed tremendously. My prayers of strength and comfort to the family.

“ *Lucille was such a WONDERFUL co-worker. She was very caring and would do anything for you if she could. I will always remember our talks on our breaks about family and friends. She was always so well put together everyday. I still have a heater that she brought to me. I will keep that heater forever. I will miss her dearly. Rest in Heaven Lucille.*

“ Lucille was more than a supervisor, she was also our friend. She cared about our families, she cared about us. She was dedicated to her job and she was so good at it. I will miss those phone calls that would start out being about work and then 30 minutes later we are talking about everything else. Lucille was such a big part of my. I will forever have my memories of the tall beautiful, well dressed, hair always in place supervisor, who always had and i mean always had my back. I will forever carry my memories of her in my heart.
