“ *My heartfelt condolences to the Butler family in the loss of a very special person & loved one. Lucille & I were very good friends. I will always cherish our friendship even though we were not in touch. Thought about her just recently saying I was going to check on her. Time waits on no one & my heart is heavy as I deeply regret that I put it off & now my good friend is resting in our heavenly father's arms. She was definitely a soldier in His army of true Christians . Rest in peace my sister. Love you forever will never forget all the good times we shared.*

“ *Remembering the Butler family in heartfelt prayer. In just a little while all of the pain and sorrow that we feel from the death of our love ones will cease and be replaced with joy, because the former things have passed away. Thinking of you all.*
