

## Lucinda Louisa Pitt

June 7, 1977 - June 28, 2022

Lucinda Louisa Pitt

(Also known as Lue or Lucy) was born to Rose Pitt and Arthur Sylvester Phillips on June 7th, 1977, in St Vincent and the Grenadines (SVG). Lucinda attended Troumaca primary and Secondary school and later went on to further her education in accounting at the Centennial College in Tortola and business management at London School of Business. Shortly after she migrated to Canada then back to SVG where she achieved her proudest moment. As Lue would say her biggest and best achievement was giving birth to a beautiful, smart as a whip baby boy Jaelan. She loved dancing and singing even though she didn't have the best voice. Lue loved to run track, she fell in love with the sport at young age competing in primary and secondary school. Lucinda was most loving, caring, and hardworking person you would ever meet. In 2016 Lucinda and her son migrated to Brooklyn NY where she joined the Home Depot family at Brooklyn Gateway center. She was unstoppable, she dominated every position she was given, she went above and beyond in each role. Lucinda then migrated to Buford Ga where she joined Home Depot in Lawrenceville Ga. Where she was given the name "Credit Queen". Week after week she dominated her goals, ones that were given and others she set herself. She touched many lives with her infectious laughter and her genuine heart she will be sorely missed.

Lucinda is survived by her father Arthur Phillips, one child Jaelan Pitt. Seven sisters Rose, Ena, Pearl, Eunice, Audrey, Virlyn, and Urcy. Two brothers Gregory and Ted. Four aunts here and aboard other relatives and friends too numerous to mention. Lucinda was greatly loved and respected by everyone she met may her gentle soul rest in perfect peace.

“ *To my dearest Lue,  
I'm still in a state of shock and disbelief with the news of your passing. From the first time we met we hit it off instantly and the rest was history. You always called and checked in, thank you for loving and always protecting me. You are selfless, humble, caring, honorable and determined to be there for everyone. Things will never be the same without you here but know you will always be thought of and hold a special place in my heart forever... My angel may your beautiful soul Rest In Peace until we meet again ❤️*

“ *I didn't know that you would leave us so soon..My dearest cousin, was a loving and caring person..She was very determined and tried to follow through on her goals..She was one of my closest family. She was like my daughter..When I am having a bad day work or family issues, I could count on her to listen..We would laugh about silly things.  
Lue lived with me in Canada before returning to St. Vincent..She was a very important part of me and my children's life.. My children called her Auntie Lue..She was loving and kind to them..  
You are in God's hands Lue.. You are have gone to be be with your mother and the of the Dember families..  
May your beautiful soul Rest In Eternal Peace..🥹🥹💔💔💔💔*
