“ *Grief can be so hard, but our cherished memories help us cope.
Hold tight to those memories....Lean on each other for support....

Cindy was my neighbor and I grew up with her children. She was a real sweetheart and will be missed. She used to pay me to climb the cherry tree and break her off some branches. She also let me drive her cars, gave me good heart to heart talks and always told me I would be something one day. I hope I didn't disappoint you lady. Lord give this family strength and comfort during these trying times. You all are in my prayers. Love you all!!!!
