

Ms. Luechen Gym Lyn

September 13, 1991 - February 1, 2024

Ms. Luechen Gym-Lyn, 32 of Lithonia, GA passed on February 1, 2024. Family will receive friends on Saturday, February 10, 2024 from 3:00 P.M. to 5:00 P.M. at Gregory B. Levett & Sons Funeral Homes & Crematory South Dekalb Chapel. Please express your condolences on our website.

Words can't describe the person Luechen Patrice Gym-Lyn was. She was a beautiful soul that was taken too soon. We know that she is at peace and the burden of this life is over. She was a mother, a friend, and someone who would always offer a helping hand. We will miss how she would always say, "it will be ok" knowing all that she was going through. We were able to see her in a different light. We can still see her smiling face every day, only to miss her even more, but God knows best. Remembering how she used to talk and would always say "I can't wait to come home (Jamaica)." She would say that she can't wait to get her june plum, pepper shrimp, and so much more. Speaking of those things would always put a smile on her face and a sense of hope would enter her mind.

Her son Danial Davis Jr. was everything to her. She spoke of him in such a beautiful way, you would have to hear it to understand. But one thing was certain, she loved him dearly. Life will never be the same again without her

voice no longer putting us at ease and building hope for a better day. As we continue to live on, we will remember her for the good times she made and the memories that live on within our hearts and minds. We love you Patrice Luechen Gym-Lym! "God took his angel home".

“ Lue Lue! This one is tough! I remember when you just moved to Edgewater and then moved on to primary school with me! I remember when you had Daniel and I used to always check in on him and you'd always tell me how good he's doing, especially in school. Smh This definitely hit us hardddd. Rest In Peace baby girl. I hope Patrice and the family are doing fine and I'm sure Daniel is in good hands. Sleep on sweet girl! Your memory lives on!

“ Met Luechen in high school, such a ray of sunshine, a beautiful person inside and out and always smiling. I am so grateful that our paths crossed and the positive memories created. I hope your family finds peace and comfort during this difficult time, especially her son. I know he was her greatest joy. I know her memories will live on.
