“ Luevenia this is your cousin Markita Burson your Uncle Joe's daughter. Your Aunt Edna, Layla , Jamil and myself will miss you terribly! I remember all the teaching on nutrition that you would educate me on. Like; special vitamins to take according to different diagnosis. You were so influential, educated and most of all a spirited and religious "Black Woman"! I appreciate all the wisdom and knowledge you shared with me and family. I will miss all the funny and interesting conversations we had together when we visited you when you were in your own home and at Healthcare facility. I thank God for giving me and my kids the last opportunity to see you in January coming from Detroit. I know you are at peace because you were a believer in God. Rest now thow faithful servant of God. You were truly Blessed!!! Love Always, The Burson Family. You always loved your family!!
