“ *Life truly comes full circle.*

I was saddened to hear of the passing of Ms. Lula Jordan. She was such a sweet and kind soul, and her impact on my life started long before I even realized it. Ms. Lula used to live in my apartment community when I was a child, and she showed so much love and kindness to my mom, who was raising four children as a single parent. Her support and gentle spirit meant more than she probably ever knew.

Years later, I ran into Ms. Lula again at my workplace, and it felt like a beautiful full-circle moment. She had the same warm spirit, the same kindness, and that familiar gentle smile. I remember telling her that she still looked the same after all those years graceful, beautiful, and full of light.

Ms. Lula was one of those people who quietly made the world better just by being in it. Her kindness will never be forgotten.

*May she rest in the Master's hands.
