“ I remember Lynette growing up with her sister Angela. She was like a big sister to me. She was always friendly to me when I came to play with her little sister Angela. I use to enjoy going up the street to visit with them. Her mother was so wonderful. She always made me feel welcomed and a part of the family. I remember wishing that I was old enough to be her friend too, but she never had time for us kids. haha I just wanted to remember her; and share some thoughts of how special she was and how her family is always in my heart. Whenever I am in the old neighborhood, I wonder what happened to my best friend. I really hope that I can reach out to Angela and her family...Please call me 404-808-8170...My deepest sympathy goes out to your family... You are always in my heart...

“ *Condolences to the family of Lynetta. We know it is difficult today to see beyond the pain, for God has called another child home to be one of His angels. I know words will not heal the pain but, please know that your love one will not be forgotten. She will cook, laugh and smile upon you as you mourn her death and cry tears of sorrow. Lynetta was a beautiful person inside and out. May she rest in peace.*

“ *My deepest condolences. Lynn although you and we hadn't seen each other in years, you and I were still friends. I remember coming to the hospital after you had Dominc and you and I sitting there laughing and talking about childbirth. You had the sweetest spirit my friend. We always made dates to get together but we never made it happen. Words can not express how heavy my heart is right now. When my sister called me tonight to tell me about your passing an unexplainable kind of pain when through me. When we would talk to each other it was like there had been no time between us. We would just pick up from where we left off. We shared our good times and not so good times but we always had laughter mixed in. I will miss seeing your beautiful smile, your pretty flowers and those beautiful cakes that you baked. Rest well my friend. I love you Lynetta Genell Clark.*

“ *My condolences in the loss of your dear loved one. When our loved ones die it pains our hearts. Our loving God Jehovah is aware of this and he comforts us by means of his word the Bible. Psalm 68:20 says; The true God is for us a God who saves; And Jehovah the Sovereign Lord provides escape from death. Also 1 Peter 5:7 says : While you throw all your anxiety on him, because he cares for you. May these scriptures bring comfort and calmness of heart to you at this time of bereavement.*
