

## Lynnette Christina Williams

December 2, 1968 - May 29, 2022

The family of Lynnette Christina Williams sorrowfully announces her passing. Comforted by her belief in God prior to and during her transition, she passed in the early morning hours of May 29, 2022 surrounded by her mother, son and daughters. She was the only child born to Arthur Williams and Charlene Royal ( Williams ) on December 2, 1968. She was a cheerful child. Known affectionately by close family as 'Net', her friends called her Lynn. She was loved by many people.

Lynnette enjoyed talking with her mom and children almost every day. She also loved to spend quality time with her family and close friends. And she enjoyed going to the beach. She was sweet, kind, loving, successful, ambitious, resourceful and an inspiration to many people. As the loving mother of Sergio, Chennell, and Mya, she brought joy and encouragement to their lives and to the lives of everyone that her light touched. As a daughter she brought love and affection to her parents. Her legacy of love continues through her mother, father, children, and her seven grandchildren, Gianni, Giniya, Gileah, Sol, Jaguar, Terrence, Jr and Noam.

Lynnette loved giving back to the community by helping others. She touched the lives of many people and helped those in need in multiple ways. By encouraging others to be their very best selves and to live their best lives,

Lynnette was a shining light to them. She was also known by many as a very productive, successful, creative person. Among her professional accomplishments, she enjoyed a lengthy successful career as a Senior Anti-Money Laundering Analyst. However, her greatest accomplishment was raising a loving family that she cherished.

She will be dearly missed by her grandmother, mother, father, son, two daughters, seven grandchildren, aunts, uncles, siblings, cousins and a host of very good friends. We were all blessed to have her in our lives.

“ I met Lynette on Instagram because she reached out to me to see how we could work together. We met for lunch and became friends afterwards. She was an ambitious and fearless person and I really miss her spirit. I'm just finding out about her passing and I am so sad to hear this. I know that she loved her kids dearly and she left a positive imprint with her motivational content. RIP my friend. My condolences to your family.
