“ Ms. Mabel Hayes--what a jewel of a lady. I trained her when she came to work for us and what a great time we had. She always looked like she stepped out of a fashion magazine and those high heels...only she could do them. She will be missed greatly by all her former co-workers.

“ Mabel was an amazing receptionist, jury consultant (our secret weapon), and consummate people person holding court at our reception desk at our Atlanta law office for over two decades. I can't tell you how many times people told me how wonderful Mabel was and how much they enjoyed talking to her when they called. Mabel was a beautiful, elegant lady and a really smart cookie. She had tremendous insight about people. One of my greatest daily pleasures was walking into the front door of the office to see her smiling face and receive her warm greeting. She will be sorely missed.
