“ RESOLUTION

ON BEHALF OF OUR FRIEND AND SISTER – MAE DEAN
ROBINSON-STROTHER

Sunrise – December 4, 1939 Sunset – September 14, 2020

How sweet it is at evening, after a long and well spent day, to close one's eyes in slumber and rest from the toil of day. It is doubly sweet, at the close of a well spent life, to turn one's face toward the sunset and quietly sink into the rest that knows no waking except in the presence of God.

Such was the passing of our friend and sister, Mae Dean Robinson-Strother. As we knew "Ms. Robinson" through the Lou Walker Senior Center as the Volunteer Coordinator for ten years before retiring. The entire Lou Walker Senior Center could depend upon her to provide quality, viable, unique & safe applications to make the Center a secure haven for the senior population.

In addition, Ms. Robinson possessed the God given gifts of compassion, kind deeds, love, caring and spiritual guidance to those that surrounded her. Her vibrant, friendly and beautiful personality shall always shine upon us.

As she lived upon this earth for 80 years, possessed a precious, giving and useful life. At last, she has passed on to be with the Lord. There in her heavenly home, she shall receive her just and eternal reward.

In appreciation of such a life, for the sake of the family members and friends, we the members of the Lou Walker Senior Center Membership & Volunteer Group & Silver Wings Performing Arts Group feel it befitting to extend our deepest and heartfelt sympathy to everyone that was touched by her loving existence.

WHEREAS, we recommend to everyone to ever lean upon the everlasting arm of God who can and will heal all of your sorrows by

submitting to his Holy will.

WHEREAS, we vow as your sisters and brothers in Christ Jesus to be only a few steps away. We shall be there for you not only for today, but for the weeks, months and years to come.

Humbly submitted this 19th day of September 2020 A.D.

“ Dear Mae, “my partner in crime”, for 10 years at the Lou Walker Center. I am writing to you in Heaven, knowing that this letter will find you feeling fabulous and looking great, the most beautiful Angel in heaven.

Mae, now I am thinking what a grand time we had together at Lou Walker. You made work fun, your sense of humor along with your common sense, plus your strong sense of right and wrong. And I loved that you did not tolerate any foolishness from management, or from members. We had to “straighten up and fly right”.

You developed the best volunteer group in the USA, and saved thousands of dollars for the Center and Dekalb County, by filling jobs with volunteers. Those positions gave an important sense of the meaning for each person who worked for you.

And I cannot forget that you set the standard for natural beauty with your fashionable clothes and excellent taste. Even on blue jeans days, you only wore the best and most beautiful.

After we both retired I still enjoyed our conversations. Your vast knowledge of the city of Atlanta and Dekalb County, your knowledge of when to speak out and when to keep your mouth shut.

You were an inspiration of all nearby. I will miss our conversations for the time being, but will see you again and we can catch up. Meanwhile, keep all those other angels on their toes and looking good!

*With Love, respect and friendship,
Yours,
Henry*

“ *Mrs Robinson Strothers was such a jovial, warm and friendly person. From the moment I joined the LWSC she took my husband and me under her wings. She was an integral part of the LWSC. SHE CHERISHED her volunteers. She will forever be in our hearts. Willie and Gwendolyn Bonner*

“ *Sending my sincere condolences to the family of Sis. Mae Dean Strother. She and Bro. Strother were a part of Big Miller Grove Baptist Church where they attended regularly until Bro. Strother's illness then death. They were a very lovely couple and a good example to other couples in the congregation. Sis. Mae Dean shared many historical stories with me regarding her upbringing in Alabama during the 50's and 60's era of the civil rights movement. Their names appear on the BMG Church Family Tree to commemorate their membership at Big Miller Grove. She was such an upstanding, well dressed, and classy woman and will direly be missed. RH Palmer*

I am saddened to hear that our lovely neighbor who we have known over 13 years has passed. She was always supportive of me and it turned out we knew some of the same people and enjoyed sharing our life experiences.

May God Bless her family during this time of sorrow.

Ms. Mae as we lovingly called her was one of a kind. We are going to miss her driving through the neighborhood.

Raye we are all sadden by the lost of your mother Mae. She was my mother's best friend when she was on this earth. She was like an aunt to me and my brother and the rest of my family. I had the pleasure of working with her during her tenure at Fulton County Government under the late Comm. Emma I. Darnell. We all loved your mother dearly, but we have to remember that God loved her best. From "A Simply Unique Family" (ASUF) send their love and sympathy.
