“ I don't even have words to express how much Aunt Margie meant to me. From conversations, to having Nyia stay weekends to her traveling to my house for Steeler games with her home made pies with footballs 🏈 on them. I'm glad I was able to tell her I loved and and she had enough strength to say it back to me. You will forever be in my heart ❤️ I know you are resting now with the Lord with no more pain.

“ I was saddened to hear of Marjorie Brooks passing after prolonged years of illness. It was the loss of a great 45+ year friendship and sisterhood that I valued and cherished. We shared great memories during the raising of our children in Pittsburgh (Park Hill Drive), during happy and sometimes challenging times.

*Aunt Margie as she was affectionately known by our family, was a great champion of the aging population and those who were physically or mentally disabled. Her kindness and generosity will always be remembered. May our God elevate her spirit and let her rejoice in the greatness she gave to this world.*

*Rest with God Margie for a job well done!💔*
