“ *Malcolm was always a bright light with an infectious smile. Although shocked and saddened upon hearing about his death, confident that he is resting in the arms of Jesus. Wishing peace to the family in the days that lie ahead.*

“ *To Carolyn and Family:
My deepest most heartfelt love, sympathy and prayers go out to you all. As you well know, Malcolm was a classmate of mine..... majoring in the same course of study while at tending Morehouse (taking our major classes at CAU).....worked together in many college clubs (ie yearbook, newspaper, Public Relations Student Society of America, etc...). Reconnected with him 5 years so ago so when he completed his course of study at Emory.
When you and I worked together on the stage production "Underground" I was pleasantly surprised to learn that you were his bride he always spoke so lovingly about! You couldn't have been married to a more wonderful, loving, helpful Christian man. We the Underground stageplay family as well as the Morehouse & Spelman College Classes of '91 are at your beckoning call if you need any of us. God bless.....Much love.....*
