“ *I did not know Mallyveen, but I meet Malcolm, her son years ago and as a mother I can attest that she was an awesome one. She raised an honorable, good, trustworthy son that stands for his beliefs and is actively trying to make this world a better place. For all the mothers that raise children to change this planet, I give my gratitude! Go in peace! You have done a great job and you leave a great heritage!*

“ God needed your kindness and sweetness, in Heaven. You were always happy to see me in church and I was happy to see you. You made my time at RPBC that much more meaningful. To the family, I pray for your strength and comfort during this time. Losing a mom is a great loss but to know she is with Jesus brings comfort. Someday, you will all be together, again. Much love to all of you.

“ Praying for comfort and strength for the family. In the loss of one who meant it so much, for every memory in your heart this brings thoughts of peace. May the peace of God guard your hearts.
