“ I am sitting here in my house in Lebanon pa. Just can not believe that I neglected to practice what we preach. The number one thing is communicating with your family from afar. A few weeks ago my mother which is the older member of this family, asked for Marcias phone number I procrastinate for a few days. Then I received this call that my beautiful cousin is going to heaven to be with the lord. That is hard to deal with. My mother is so so strong God bless her. Marcia you will be truly missed. I love you soon much.
