*“ I miss you so much momma. Life has changed tremendously since I lost my best friend. I swear I wish heaven had a phone so I could call you. Mom I miss your voice, your laughter, your advice, your presence, I even miss you yelling at me. If I could do the whole 30 years over with spending with you all over again I would because that wasn't enough time with you. I know I'm not supposed to question God but why so soon. Me and Mason misses you oh so much momma. Tears are falling as I'm writing this. I know you're not completely gone but I need you physically here with me momma. I love you so much baby. Continue to rest in peace*
