“ Margaret - riding the bus will never be the same. Driving to the park and ride and looking across the parking lot to see if you have arrived will never be the same. Having chats about life and our families will never be the same. I will miss you my friend. Rest in Peace

“ Margaret was a dear friend and like a sister to me. I was one of her bus riding buddies. We had a lot of good times together at work and beyond. She had the kindest, most loving and deeply spiritual qualities. She loved her daughters and grandkids very much! I am thankful she was a part of my life. Keep her memories going strong. God bless the family!

I used to work with Margaret as Visiting Nurse and I didn't learn about her passing until a few weeks ago. When we did work at VNHS and I was a marketing rep, but when I came into the office, Margaret was always one of the friendliest, kindest colleagues I encountered. I will always remember that. Sending her family my condolences and prayers.
